Re: Lake County Administration Tower Renovations

Dear John,

Thank You for the tremendous job you and your crews did in the renovations of Lake County's Administration Tower. Considering we had 10 stories to renovate, while the County Government staff occupied the building (including the County Court System) the project couldn't have gone better. Your adherence to the schedule and work limitations was flawless and the quality of the workmanship exceeded the specifications and the owner's expectations.

I look forward to working with you again soon.

Sincerely,

David Henderson
President
