Mr. John Iskalis
Iskalis American Floor Show
4437 Old Grand Avenue
Gurnee, IL 60031

Dear John:

As you know, Iskalis' American Floor Show has been the preferred vendor of Lambs Farm since 2001.

We are an agency serving more than 170 adults with developmental disabilities living both on our campus and in the community. As such, we are frequently in need of replacement flooring of some kind, and are accustomed to receiving the high quality products and services Iskalis provides.

You regularly support our Mission Statement, both financially and in the consideration and respect your staff demonstrates to our many residents when in one of our homes. We could not imagine anyone else serving our flooring needs.

Sincerely,

Dianne M. Yaconetti
President and CEO
